

RECRUITMENT BULLETIN

Programs and Project Management Division, Civil Works Division

Interdisciplinary GS-0110/0808/0810/0819/0830/0850-13

Full Performance: GS-13

(Economist/Architect/Civil Engineer/Environmental Engineer/Mechanical Engineer/Electrical Engineer)

Duty location: Mobile, AL

Date Opened: March 15, 2022

Date Closed: March 29, 2022

This employment opportunity is being completed under the Direct Hiring Authority for Certain Personnel of the DoD Workforce

About the position: Incumbent is assigned to the Civil Works Project Management Team with responsibility for the project management of assigned multipurpose Civil Works studies and projects for the life cycle of the projects from feasibility phase of planning through construction. Duties include all necessary coordination and liaison of assigned projects. Planning, design, and construction work is performed by the District's planners, engineers, and architects; A/E contractors with technical review of A/E design or design by the affected facility accomplished by the District's engineers and architects; and construction contractors with supervision by District engineers.

Type of position: Permanent Competitive Position

NOTE: Percentage of time to be spent TDY is 25%

NOTE: Position requires Acquisition Level III certification in the career field Facilities Engineering within 24 months after selection to this position.

NOTE: Incumbent must submit a Financial Disclosure Statement (OGE-450) upon entry onto duty and annually thereafter.

NOTE: Due to COVID-19, the agency is currently in an expanded telework posture. If selected, you may be expected to temporarily telework, even if your home is located outside the local commuting area. Once employees are permitted to return to the office,

you will be expected to report to the duty station listed on this announcement within a designated time frame identified by the organization. At that time, you may be eligible to request to continue to telework one or more days a pay period depending upon the terms of the agency's telework policy.

In order to qualify, you must meet the Basic OPM qualification requirements as listed below.

Basic OPM qualifications for Economist, 0110 series:

<https://www.opm.gov/policy-data-oversight/classification-qualifications/general-schedule-qualification-standards/0100/economist-series-0110/>

Basic OPM qualifications Architect, 0808 series:

<https://www.opm.gov/policy-data-oversight/classification-qualifications/general-schedule-qualification-standards/0800/architecture-series-0808/>

Basic OPM qualifications Engineer, 080 series:

<https://www.opm.gov/policy-data-oversight/classification-qualifications/general-schedule-qualification-standards/0800/files/all-professional-engineering-positions-0800.pdf>

In addition to meeting the basic requirement above, to qualify for the GS-13 position you must also meet the following qualification requirements listed below:

Minimum qualification requirements for the GS-13:

Specialized Experience: One year of specialized experience equivalent to the GS-12 grade level in the Federal service which includes: 1) Project management and/or technical management involving project development, contract acquisition, funding, design, award and construction of both new and repair/renovation of DoD Facilities; and 2) Providing technical advice and support to customers and other offices including higher authority, on engineering design, construction, and overall project management

and execution. This definition of specialized experience is typical of work performed at the next lower grade/level position in the federal service (GS-12).

Some federal jobs allow you to substitute your education for the required experience in order to qualify. For this job, you must meet the qualification requirement using experience alone--no substitution of education for experience is permitted.

NOTE: You must submit your unofficial transcripts demonstrating a confer date of graduation with your application for this employment opportunity. If selected, official transcripts are REQUIRED to be submitted.
